

PAIR SOFTWARE ANNOUNCES THE RELEASE OF ESTATE AGENT PRO ENTERPRISE

At the request of many of our customers Estate Agent Pro Enterprise is based on a simple pricing structure. For a single fee per month per branch all previously chargeable modules are included free as well as unlimited users and portal uploads. If you wish to upgrade to Estate Agent Pro Enterprise please contact technical support. Estate Agent Pro Enterprise will be available from the end of December 2010.

Estate Agent Pro Enterprise has been completely re-written and has literally hundreds of major enhancements. These include:

Microsoft Office 2007/2010 look and feel including the use of ribbon bars * Single client entry system whereby any client can be an applicant, a vendor or both * Multiple vendors per property * multiple applicants * Applicants can purchase multiple properties * Unlimited contact details * New Shared diary similar to Microsoft Outlook * New grids with enhanced sorting and grouping * Interface to AFD's Postcode Plus * Interface to Ravensworth print * Interactive EPC charts * Near real-time synchronisation service * New spell checking and thesaurus * Integrated portfolio and carousel * Bulk emailing to applicants and vendors * Integrated marketing module * One click emails and SMS texts * Tapi phone interface * Integrated user defined reporting * Split chains * Single client review screen * Open matches screen * Identity/proof of address recording * Google Maps interface

And very many other enhancements far to numerous to mention.

New monthly pricing structure per branch: 1 branch £200 * 2-4 branches £150 * 5-9 branches £125 * 10+ branches £100 (10% discount to existing users)
